CounterText

General Editors: Ivan Callus and James Corby, both at the University of Malta | Three issues per year | ISSN: 2056-4406 | E-ISSN: 2056-4414

CounterText is uniquely centred on the study of literature and its 21st-century extensions. It is informed by perspectives derived from literary criticism, cultural criticism, philosophy and political theory, with a particular interest in studying technology’s reshaping of literary and post-literary cultures. The journal is closely associated with The Futures of Literature Research Network hosted in the Department of English at the University of Malta and the International Literary Criticism and Theory Conference Series based in the same Department.

Increasing to 3 issues per year in 2015

Corpora

ISSN: 1749-5032 | E-ISSN: 1755-1676

A journal of corpus linguistics, this journal publishes articles on the exploitation of corpora, accounts of corpus building, corpus tool construction and corpus annotation schemes.
